

## Cool Cucumber Apps

### Ingredients

- 1 English cucumber
- Boursin light cheese spread
- Roasted red peppers, cut into small dice
- Black olives, sliced

### Instructions

1. Let the Boursin cheese spread come to room temperature so it is easy to pipe or spread.
2. Clean and slice the cucumber either regular or sliced on the bias.
3. Pipe or spoon a small amount of the cheese spread onto the cucumber, about the size of a quarter.
4. Place about 1/4 teaspoon of the peppers on top of the Boursin mixture and then add a black olive.
