

HOME SWEET MYCHART

Wherever you hang your hat, wherever you are in life, **MyChart** makes healthcare easier. **St. Elizabeth MyChart** helps you manage your medical care from home or on the go. If you haven't signed up yet, here are some things you should know:

MyChart is easy to use.

If you can FaceTime a friend, you can conduct a virtual visit with your doctor.

MyChart is safe and secure.

Whether you're using MyChart on a computer, tablet or smartphone, your medical information is protected with the highest level of encryption.

MyChart is fast and convenient.

Available 24/7, your MyChart account gives you speedy access to test results.

MyChart saves you time and money.

If you schedule a virtual visit with a provider, your insurance may be billed. But everything else about MyChart is available to you at no cost, including messaging with your care team.

Visit stedocs.com/mychart to learn more.
