

TOP **5** REASONS TO USE MyChart

THE WELL-CONNECTED PATIENT

St. Elizabeth MyChart is an online tool that lets you safely connect to your health information from any device, from anywhere, at any time.

1

Easily communicate with your providers.

2

Request prescription refills without calling the office.

3

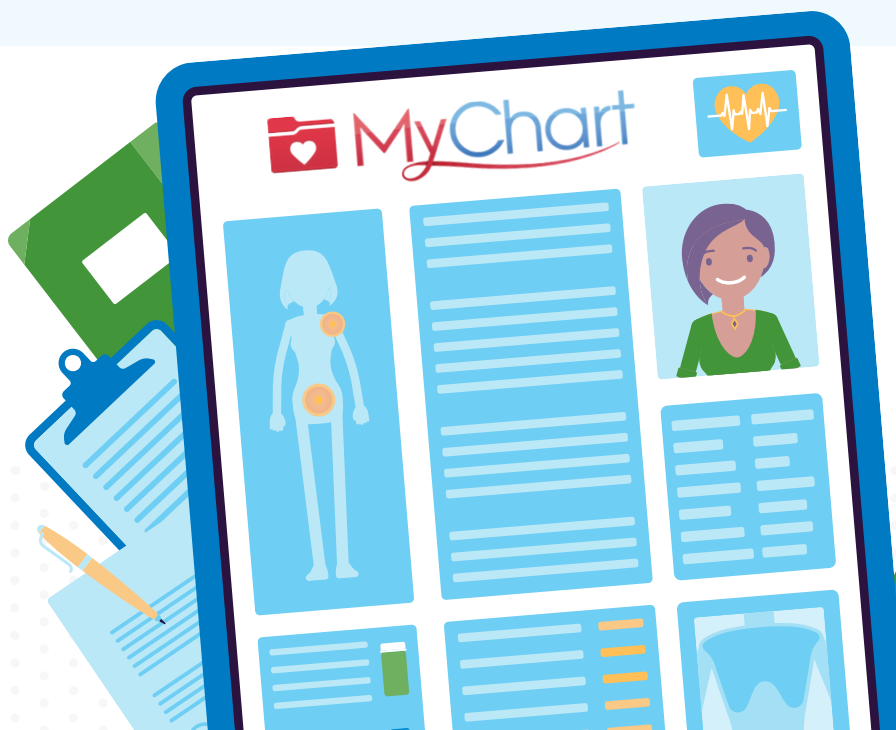

Pay your bill online in seconds.

4

Receive your test results as soon as they're ready.

5

Schedule or reschedule an appointment anytime.

With MyChart, you can complete the pre-appointment process before you arrive for an office visit, with eCheck-in. You can even schedule a video visit for non-urgent medical concerns.
